

BEECHWOOD EDUCATIONAL FOUNDATION

The Beechwood Educational Foundation was established in 1984 to encourage, enhance, and reward academic excellence at Beechwood Schools. In the 37 years since its inception, the Foundation has funded programs, services and technology that allow Beechwood students to excel in the classroom and to experience learning outside the classroom.

Each year, the Foundation awards four scholarships to graduating seniors and provides financial assistance for class trips.

In the 2020-2021 school year

The Beechwood Educational Foundation is raising funds to help Beechwood develop the new facilities that will enhance the EDGE program.

They will include a Performing Arts Auditorium a Media Design lab, a Computer Science lab, a Middle School Engineering lab, a BioMed lab, and an Entrepreneurship lab.

In the 2019-2020 school year

The Foundation funded the \$24,000 purchase of 64 iPads, cases, and 2 charging carts for the primary grades.

In the 2018-2019 school year

The Foundation contributed \$25,000 towards the High School IDEA (Innovation, Design, Engineering, Application lab,

Gifts from alumni, parents, and friends directly impact Beechwood students and help to ensure a continuing tradition of excellence. The Foundation is a 501(c)(3) organization and all gifts made to it are tax deductible. For more information about the Foundation
