ESTUB

The Beechwood Board of Education posts pay stubs to eStub. This is an electronic pay stub system. You will not receive a hard copy of your paystub. Instead, a one-year history of pay stubs will be maintained on eStub.

You can access your paystubs by going to the Beechwood website, www.beechwood.kyschools.us . Under the Employees tab there is a link to eStub.

To sign in use your employee ID which is _____. Your PIN is your social security number which you will be prompted to change. Please remember this new PIN as we do not have access to your PIN.

You will be able to sign into eStub after your first scheduled paycheck.

Please contact Amy Padgett at (859) 331-1220, ext. 6003, if you have questions or comments.
