Beechwood Elementary Families,

We hope this letter finds you well and we are looking forward to a great second quarter. We want to assure you that student safety is still a top priority and we will continue the precautionary considerations already in place today in the weeks to come. We continue to monitor the situation in our building and in our community and desire to make a decision that will be in the best interest of Beechwood. While we know our children will be children; we will continue to require masks, we will continue to promote distancing, we will continue to clean and disinfect with regularity, we will continue to reduce transitions, we will continue to adjust schedules as necessary, we will continue to wash hands frequently and take mask breaks, and we will continue to reduce and mitigate risk in every possible way.

As Dr. Stacy's letter said on Friday evening, **we will be remaining on Level 2/Hybrid(K-6th)** for the time being. In the meantime, we have several items in place to support families and students until we have a clearer picture of returning full time. In addition to our 5- day option and virtual option we are able to add a staff member to support students who are in need of intervention in Reading/Math. This will also allow us the flexibility of adding a class when Kenton county is out of the red and we can return to 100%. Families of students being offered this support will be contacted individually later this week. This will allow very targeted help at a critical age and stage of development. We will continue to keep spacing and maintain protocols while having even more students in the building. Students will be as safe in our building as most any environment they encounter outside of our building.

Schedule Update:

Nov. 4th – A Students
Nov. 5-6th – B Students
Nov. 9-10th – A Students
Nov. 11-13th – B Students

As always, thank you so much for your support along with a little extra patience and understanding!

November 11th (Wednesday) 2:00pm - 3:30pm

November 13th (Friday) 5:30pm - 7:00 pm

Parents: Elementary basketball registration for 3rd-5th graders is now open.

Please use the following link to register your child:

www.gofan.co/app/events/125944

Click on the link and select "Get Tickets". After adding a ticket to the cart, you will then select "additional information". Make sure each and every field is populated with an answer, otherwise the questionnaire will not be accepted.

This link is the only method to register your child. The deadline to register your child will be 11/13/2020.

Due to the late start and other challenges, I will not be able to accept registrations past the deadline.

Additionally, parents, I do request patience and flexibility this year.

Please understand there are still many unknowns related to Covid-19, especially with the availability of leagues, etc. I will be working diligently to communicate updates as they come. If you have any questions, please let me know
